

To whom it may concern

This letter is intended to assist Australian citizens and permanent residents that have been vaccinated against COVID-19 in the UAE and carry their UAE-issued Sinopharm vaccination certificates to have their vaccination recorded on the Australian Immunisation Register.

The Government of the United Arab Emirates has confirmed that the only type of Sinopharm vaccine administered in the UAE is BBIBP-CorV.

Yours faithfully,

A handwritten signature in blue ink is positioned to the left of a circular official seal. The seal features the Australian coat of arms in the center, surrounded by the text 'AUSTRALIAN EMBASSY' at the top and 'ABU DHABI - UNITED ARAB EMIRATES' at the bottom. The number '6/6' is printed at the bottom of the seal.

First Secretary and Consul
